The *ULTIMATE REVENGE* for Every Golf Widow

By Kristi Keenan | Photos supplied by Faces Day Spa

Next time your husband spends a day of your Hilton Head vacation on the golf course and you don't feel like joining him, give yourself a day of pampering at Faces Day Spa where the 4-hour Golf Widow's Revenge® package will make you forget about golf altogether. This isn't just a day at the spa, mind you, it is an all-out sensory indulgence sure to bring you back for more. Your day of luxury starts with an aptly named Blissful Beauty Bath wherein you melt into a glob of your former

self as you languish in a fizzy bubble bath complete with spa jets perfectly aimed to relax away any hints of soreness. Once you finish the bath you're in for a real treat in the Patti's Peppermint Sugar Scrub. This total body exfoliating scrub will leave you feeling smooth and silky and smelling like a candy cane. Although you may not feel as though you can possibly become any more relaxed, your next service is a 30-minute relaxation massage that is nothing short of wonderful. Every inch from head to toe is masterfully manipulated to relieve pain and soreness in muscles you never knew existed. But the pampering does not stop there. The aromatherapy facial is a magical retreat into pure intoxication as your pores are treated to a gentle massage with top-shelf skin products, essential oils and plant extracts. As an added perk, your hands are covered in lotion and kept in warm mitts throughout your facial and a constant steam around your face ensures your pores stay open and ready for cleansing. The final part of your day of beauty is a relaxing peppermint pedicure. As your toes get polished and your heels exfoliated, you can enjoy an incredible vibrating massage from a plush Sharper Image armchair. By the time you are ready to shower and leave, you are surely making plans for your next visit to Faces. The staff members in all departments of Faces Day Spa are well trained and incredibly professional and courteous, ensuring that your visit is more than memorable. Make sure and visit the Spa Shoppe before you leave, as they carry an extensive line of their own skincare products, as well as collections by high-end skincare manufacturers. The shop is also full of other goodies like candles, home accessories, gifts and much more. When you check out, (the Golf Widow's Revenge® package is \$250, gratuity not included) you'll find that the technicians who gave your spa treatments will have left a personalized bucket of suggested products available for purchase in case you want to give yourself a spa day at home. Faces Day Spa is located in The Village at Wexford on Hilton Head Island. Their list of services is tremendous and can be accessed at www.facesdayspa.com or by calling 1-888-HHFACE.
