Faces day spa

Offering "the ultimate in day spa luxuries," Faces Day Spa and Boutique is the largest day spa on the Carolina coast and one of the most comprehensive in the Southeast.

Occupying 3,000 square feet in The Village at Wexford, Faces features six soundproof spa treatment rooms, a wet room with hydrotherapy tub, a steam room and locker room with sauna, a chemical-free nail studio, a Relaxation Lounge with spa lunches and a hi-tech Elixir Bar serving herbal tonic drinks.

Open since 1983, among the many services offered by the spa are various facial treatments and toning, makeovers and makeup lessons, manicures and pedicures, hair removal, beauty baths, massage therapy and body care.

Signature pamper packages include the "Golf Widow's Revenge," a four-hour treatment featuring a Darphin Aromatherapy Facial, Patty's Peppermint Sugar Scrub, Herbal Beauty Bath, a one-hour massage and pedicure, or opt for "The Works" with over six hours of special services, such as the Haute Couture Facial, Hot Rock Massage Therapy and a light lunch.

"The Terminator" package is perfect for those who may have overindulged

recently and need to detoxify or, for those who just can't decide, the "Day Spa Sampler" is a two-hour treat with a mini-facial, backrub, basic manicure and makeover.

The boutique boasts an exclusive line of make-up and skincare products, including Estee Lauder, Darphin, Oxygen Botanicals, as well as custom-blended foundations and powders. An eclectic mix of aromatherapy, bath and body items, spa wear, home décor and unique gifts can also be found in the retail department.

Named one of the fastest growing salons and spas in the country in January of 2002 by *Salon Today* magazine, the well-trained and professional staff at Faces is devoted to assisting clients in creating wellness of mind, body and spirit. "We have a real dedication to providing an excellent experience for each of our clients," notes owner Patricia Owen.

This fall, treat yourself to a visit to Faces Day Spa and Boutique.
